COPY DEADLINE Not later than 12 noon on Monday's. Deposit in the Gazette Box at 45 Sunset Blvd.

Meeting of March 4th, 1963.

Office space for Protestant Separate School District #6 in Town Hall: Negotiations between the Council and the School Board will continue before a definite contract will be signed.

Remuneration for Mayor and Councillors: There is still no definite answer from the Department of Municipal Affairs as to how the Council should act in this matter.

Civil Defence: Council appointed Mayor Veness, Councillors Lloyd Wheatling and W. Skrobot as members for the Control Committee, Civil Defence. These same councillors will also represent the Town for the Target Area and County Unit of Civil Defence. Mr. Bauman will be the director for St. Albert.

Cancellation of Taxes for Star of the North: An official letter of the Department of Municipal Affairs agreed to this cancellation. It was passed by Council after the third reading.

Skating Rink: An agreement between the Town of St. Albert and the Separate Protestant School Board regarding the Sir

Alexander Mackenzie skating rink was not passed due to the objections of some of the councillors. These objections were: the ice surface is not flat and is in a very bad condition, so why should the Town take over the ice maintenance!!! Also there is no need for two skating rinks in Sturgeon Heights at the moment. One of the councillors asked "Do we have an obligation to the School Board?" Councillors Wheatling and DeBruijn will meet with the School Board to talk over these problems.

School Site: A resolution was passed which said that Council has no objection to using the land west of Grosvenor Blvd for a school site, as requested by the Public School Board.

Recreation Board nearly complete: Council passed the appointments of Mrs. Andrew Kennedy, representing Mission Park, Mrs. W. Ryks representing Grandin Park, Mr. Ford representing Sturgeon Heights and Mr. Chris Gates of Braeside, as the four neighbourhood members for the Recreation Board. Two members still have to be appointed, one from each of the two School Boards.

Assessment: for 1963 is \$6,648,665., from which the Public School Board has \$2,542,449. and the Separate School Board has \$4,106,216.

Court of Revision: The date for the next Court of Revision was set for 10th April, at 8 p.m. in the Town Hall. This is a public meeting and every citizen is welcome.

The Council then adjourned their meeting early, around 11 p.m.

The Party Line

We now find ourselves well into three seasons. Lent comes to us every year about this time. Federal election campaigns shouldn't come upon us annually but here they are again. Certainly, our federal election is not a subject to be made light of, but political speeches being what they are, they would make an ideal lenten sacrifice. The third season, while not as pertinent as the forementioned, is one we all fall prey to - spring slush! Warmer weather is always welcome but it goes without saying we'd all gladly forego the havoc it plays with our roads. Of late it's been nearly impossible to keep the windshields clean, not to mention the car. The question that comes to every mother in this type of weather: Why will a child consider only the direct route through the deepest part of the largest puddle? Unfortunately no one will ever know. We can only be thankful science has provided rubber boots, rubberized slacks and plastic mitts. If they ever come up with dry water, our problem is completely solved.

Club Notes

St. Matthew's Anglican Guild

Women of the congregation of St. Matthew's Anglican Mission are being given plenty of time to prepare articles for the first combination bazaar and bake sale to be held by the church. Plans for the bazaar to be held in downtown Edmonton in the Autumn, and for a Springtime Bake Sale April 20 in Simpson's Sears Park Plaza store were discussed at the recent monthly meeting of St. Matthew's Ladies' Guild. Anyone wishing further information should contact Mrs. G. M. Pettinger at 599-7087. Members of the Guild have completed kneeling pads for the church.

The clothing drive received a poor response from the St. Albert public but members of the Guild were able to collect a number of bundles for distribution to needy families in Northern Alberta. The March meeting of the Guild will be held at 8 p.m., March 26, at the home of Mrs. Ronald Maltby, 29 Greenview Cres.

Beta Sigma Phi

The Chi Chapter of the Beta Sigma Phi met recently and re-elected the entire 1962 executive for another term. The sale of homebaking held March 2nd in Grandin Shoppers' Park Safeway was very successful.

The Chapter's next meeting will be March 13th at the home of Mrs. G. Moffat, 120 Grandin Road, at 8 p.m.

Ladies Curling Club

The St. Albert Ladies Curling Club wish to thank the Grandin Bakery for their contribution to the Annual Bonspiel, and regret the omission of this thank you in the previous list.

2nd St. Albert Cubs & Scouts Ladies Aux.

The Ladies Auxiliary to the Second St. Albert Cubs and Scouts will meet Tuesday March 12, 8 p.m. in the library of the Sir George Simpson School. A vote of thanks to the ladies who helped make the Father and Son Banquet such a success.

United Church Women

The General Meeting will be held Monday, March 11th at 8:15 p.m. in the church. A panel discussion on the recent U.C.W. Presbtery Meeting in Edmonton will be featured.

The Sturgeon Heights Unit has postponed its meeting from this Wed. to next week. The meeting will be held on Wednesday March 13th, at 8:30 p.m. at the home of Mrs. Schwarz, 31 Sunnyside Cres. The Grandin Park Unit has changed their meetings to the fourth Wednesday of the month, so their next meeting will be on March 27th.

COMMUNITY CALENDAR:

STURGEON HEALTH UNIT

Nearly everyone in St. Albert is aware of the existence of the Sturgeon Health Unit. Many are unaware of the variety of services provided by the unit. These services are free and available to everyone. Immunization, infant and school health programs are perhaps the most known and used, but these are only a small part of the unit's contribution to

community welfare. The Tuberculosis control program includes testing and supervision of cases returned home from sanatoriums. Home visits regarding communicable diseases, new babies, mental health and welfare problems, are estimated to entail over 3000 visits annually. Other services available include a dental health program, mental health services, sanitation and health education. The newest service of the unit for St. Albert residents is an 8 week pre-natal class held Tuesday afternoons at 3 p.m. It is hoped that attendance will warrant this service on a continuous basis. Dr. Hill points out that these lectures are not only for new mothers. Methods of infant care change and improve constantly and even mothers of several children can benefit from them. To enquire about these classes or enroll, call the Sturgeon Health Unit 599-7545. Detailed information on all the unit's services can be had simply for the asking.

Dr. E. Hill, director of the Sturgeon Health Unit, in the Unit's main office here in St. Albert.

Kevin Harris, with his mother Mrs. John Harris, 77 Grosvenor Blvd., looks apprehensively at nurse Miss Nancy Brine, as she prepares to give him a needle at the Sturgeon Health Unit's Pre-School Immunization Clinic.

Darryl F. Zanuck's long-awaited ten million dollar production of "The Longest Day", based on Cornelius Ryan's best selling novel, will be premiered next week in Edmonton on a reserved seat basis at the Capital Theatre. The motion picture, which delineates the gripping, intimate and human story of the first 24 hours of the Allied invasion of Hitler's Europe, was two years in the making and involved the co-operation of four governments — England, France,

Germany and the United States. Starring a cast of more than 50 international stage and screen personalities, "The Longest Day" was filmed on the actual sites of the Allied landings of June 6, 1944. Several units, comprising a force of more than 500 technicians, worked at various battlefield locations throughout Europe, including Pointe du Hoc, the Orne River Bridge, Coreica, Sicily and Utah, Omaha, Gold, Juno and Sword beaches, among others.

On March 3rd, the Y.C.S. enjoyed a tob-
bagan party on the church hill. After
the party refreshments were served in
the Parish Hall. A special meeting was
called to discuss the Bean Supper which
will be held on March 24. A Variety
Night will precede the supper.

The meeting ended with some entertainmen
and a decade of the rosary.

LOOK AND GUESS

Last week's Look and Guess was a real
toughie. There were no correct guesses
and only two were even close. They
guessed a fur jacket and a tie knot. It
was something to wear, but neither of
these. It was a sweater, with the
sleeves knotted and pulled out straight.
But don't give up, this week's Look and
Guess may be your lucky guess and you
might win \$3.00.

ST. ALBERT JUNIOR SOCCER CLUB

The Heracles Soccer Club started their
indoor training last Saturday, March 2,
in the gymnasium of the Vital Grandin
School. Thirty boys attended this prac-
tice. This will assure St. Albert havin
at least two junior soccer teams avail-
able for the Edmonton and District Junio
Soccer League in the coming season. Every
boy in St. Albert from 9 to 15 years is
welcome. There is no charge. The dress
during indoor training is shorts, T shirt
and running shoes.

This coming Saturday, March 9th, there
will be no indoor training, but weather
permitting, there will be outside exer-
cise. Dress for this week only, outdoor
clothes and shoes. For more information

EXPERIENCE COUNTS AT McLEOD'S AUTO REPAIR

A well-known resident of St. Albert, Mr. Lawrence C. McLeod, has opened a new business, McLeod's Auto Repair, just east of the St. Albert Trail on 126th Avenue. There, he is ideally located to serve both St. Albert and north-west Edmonton customers. Not only the business is new, the building, too, is brand new. Size 34 x 52, it is of cement block construction, built specifically for the job it has to do - to house an automotive repair shop.

Lawrence McLeod has had thirty years experience in his trade, including Canadian Army Automotive shops and civilian shops. For ten years he operated a repair business in Riviere Qui Barre, where both he and Mrs. McLeod were born. Ten years ago he moved to St. Albert, where he lives with his wife and two daughters. He and Mrs. McLeod are well-known in sports and Legion circles. McLeod's Auto Repair is very well equipped, with valuable test and service machinery including boring and valve grinding machines, cleaning tanks, tools for installing cam bearings and many others, too numerous to mention at this time. There is of course, a very complete set of mechanic's hand tools - favourites selected throughout Mr. McLeod's long experience.

With this combination of good equipment and long experience, McLeod's is prepared to offer the very best in automotive repair service. Every job will receive Lawrence McLeod's personal attention. His many friends will be pleased to learn of his new venture, and we are sure he will make many new ones through their satisfaction in jobs well done.
